Hello Andrey,

I've well received your mail and thank you for it. Valerie will contact you again as soon as she is ready with her Christmas exams.

In Belgium we'll be on holiday from the 24th December to the 5th January.

We'll go on working with you as soon as school starts again.. hoping your teachers still agree with this activity.

Indeed Inforef has just let me know your teachers 'd rather work with a Norwegian school.

Have you heard anything about this ?

The teacher of Valérie

Hallo

As I know, there is no one in my group, who is working with a Norwegian student.

For me its very important to have Valerie's e-mail-adress, but it actualy is no problem, to wait until the end of the christmas-hollydays.

Hello Valérie!

I hope, you had a nice holyday-time and a good start in the new year.

To make a beginning I send you a small picture, I made with mspaint. Hope you like it.

Andrey

Dear Andreas

I've well received the drawing of the robot . I'm looking for a composition (photomontage) that could be used as a background to a series of small robots.

I'll let you have my work as soon as I'm satisfied with it.

Yours friendly;

Valérie

Hello André, I'm sorry, I'm late...
but I have got a lot of homeworks.
I send you my plan, I don't know that's correct, I will be doing some others
plans later.
See you soon. Goodbye
valérie

Hi Valérie

I'm very sorry, that I had no time in the last mouths, but I had to learn a lot for our final exams
- now they're finally over.
I've received your picture (how was it made?), but I think, I didn't get the plan, you were
talking about in your last mail.
If you have an imagination of a special picture, you can tell me, what I can do, to improve it.

Once again I send you a small picture, I made with "microsoft paint"

See you soon
Andrey

Hi

Two weeks ago I've send a mail. I don't know, whether it arrived, but I'd like to excuse myself
for not writing during my exams. My teacher Mrs.Schmidt said, that there is not much time,
but a good chance to win, because most of the students don't take part any more! So - do we
want to finish? It's no matter, whether it's not much...
